

Lee, 15

**My Favorite Things:**

I love animals. Especially Cows! I like to drink tea. I am interested in art and photography. I like the color yellow. I like to be outdoors.

**Things I Do Not Like:**

I don't like to be yelled at. Not a fan of big crowds and sudden loud noises. Do not like to be trapped indoors. I hate it when I can't find stuff, especially my glasses. I don't like paint under my nails.

**Favorite Foods:**

I love all vegetables. Trying to be a vegetarian but not there yet. Love tea! I like the spice ginger. Flourless chocolate cake is awesome. I basically like natural whole foods.

**What I Want in A Family:**

I want a caring and nice family. A family that understand there will be bumps along the way. A family that will always be there for me. A family that loves animals as much as I do.

**What I Want Families to Know about Me:**

I like school and want to learn. I am reader. I like to just read outdoors sometimes. I am close to my older sister.

**What We Want Families to Know About the Youth:**

Lee needs a family that will support her needs. A family willing to commit to her fully. A family that is trauma informed. Understand that she does love to be outside and loves animals. She would prefer to be only child if possible or at least the oldest.
